TORO

SUBURBAN TRACTORS, LAWN TRACTORS & RIDING MOWERS

Introducing the new TORO suburban and lawn tractor line

Now TORO offers a new line of lawn and suburban tractors built to the same exacting specifications and of the highest quality materials that you've come to expect from TORO. There's a size and style for every yard-care job . . . and whatever the job, these TORO huskies can handle it. From mowing to plowing, hauling to snowthrowing, this handsome line has the power and versatility to do whatever you ask. And the durability to give you years of trouble-free performance. Just climb aboard and whip the toughest chore in your yard. With a full line of attachments, your TORO tractor will be as versatile as you want. Turn your weekend chores into a day of fun with a new TORO Tractor. Lawn Tractors are available with 4 or 5 h.p., and Suburban Tractors have horsepowers of 7, 8, 10 or 12.

1967 TORO riding mowers . . . Big Red† and 58″ Professional®

TORO's BIG RED and 58″ PROFESSIONAL are specifically designed to do one basic job —mow grass better, quicker and more effortlessly than any other riding mower. Precision built reels on the PROFESSIONAL give a smooth, putting-green appearance to fine lawns. In an hour, the 58″ PROFESSIONAL can cut 1½ acres of grass. BIG RED utilizes the rotary cutting principle. Two rotary housings are available. The 25″ housing has an optional bagging attachment for picking up leaves and grass clippings. For larger areas, a 34″ housing is recommended. BIG RED has a 6 horsepower engine with a special ''Safety Seat''. When you get off, BIG RED stops moving and mowing. For true mowing perfection, check the features of BIG RED and the 58″ PROFESSIONAL.

4 h.p. LAWN TRACTOR	$279.95*
5 h.p. LAWN TRACTOR (Electric starting optional)	$399.95*
6 h.p. BIG RED† —25″ housing (Electric starting optional)	$449.95*
6 h.p. BIG RED† —34″ housing (Electric starting optional)	$489.95*
5 h.p. 58″ PROFESSIONAL® (Electric starting optional)	$549.95*
7 h.p. SUBURBAN COMPACT (Electric starting optional)	$599.95*
8 h.p. SUBURBAN (Electric starting standard)	$879.95*
10 h.p. SUBURBAN (Electric starting standard)	$949.95*
12 h.p. SUBURBAN (Electric starting standard)	$999.95*

*Manufacturer's Suggested Retail Price includes cutter housing, but not local freight charges, accessories, optional equipment, state and local taxes.

POWER HANDLE®

The POWER HANDLE *lift-off engine* is the answer to complete, year 'round yard care. The basic unit is a "lift-off" handle with a powerful 3 h.p., 4 cycle engine. Once you have that, you can add the specific work accessories you need. Each work unit has a specially designed base plate. All you do is place the POWER HANDLE on the plate, attach the drive belt, and give a few quick turns on the thumbscrew. The POWER HANDLE is the economical way to start building your supply of power-driven yard care implements—no matter what your size lawn.

POWER HANDLE $84.95**

TORO

SPORTLAWN®

TORO REEL MOWERS... *Give a scissors cut to grass.* TORO reel mowers consistently give lawns a velvety, carpet-smooth cut because the precision reel provides a high frequency of cut to give your lawn the even, level appearance of professional cutting. TORO reel mowers *shear* the grass as scissors would cut—the grass is not torn. Maneuverability and ease of operation make these reel mowers perennial favorites.

18" LO-CUT $119.95**
21" LO-CUT $144.95**
21" HI-CUT $149.95**

TORO

HEVI-DUTY WHIRLWINDS

21" Hevi-Duty Whirlwinds are made for the people who want to combine homeowner handling ease with industrial ruggedness. These powerful rotaries take the work out of the rough-tough jobs, yet cut the average lawn beautifully. These rugged mowers will take on mowing jobs that you never thought possible. Available in hand or self-propelled models, both offer the exclusive Wind Tunnel® housing.

21" HAND PROPELLED $149.95**
21" SELF-PROPELLED $219.95**
